

DAMOMICS Inc. of Elmira, NY has been supporting personal computer technology in general and supporting small businesses with Point-of-Sale, specifically supporting NCR Counterpoint since 1982.

Soft Intelligence, of Atlanta, GA was founded in 1984, and has been one of the top ten NCR Counterpoint dealers for the past few years.

Effective January 1, 2015, Soft Intelligence has acquired the Counterpoint customer base of DAMOMICS.

This merger will result in a larger support staff to service all of our customers. The office in Elmira will be retained in addition to Soft Intelligence's offices in Atlanta, Ohio and Texas.

Soft Intelligence, Inc. is owned by Joe and Pat Masarek. Joe and his team will also bring increased accounting support including Passport, Peachtree (Sage 50), Accpac (Sage 300) and Quickbooks.

Ron and Gloria Friedman will work on special projects, POS Retail Industry education, Loyalty & Gift Card processes, and NCR Partner assistance.
